4 REASONS YOU SHOULD TUNE IN:

1. As a Christian, it's your duty to vote on May 19 (Romans 13).
2. Families, the poor and business/job growth are under attack with these propositions.
3. You will be misled by the media, organizations, TV, radio and direct mail.
4. In 1 hour, you'll know the pros and cons and a Christian worldview on this election.

TAXPAYER/FAMILY ALERT:

This election involves \$16 billion in new taxes that will cripple families, economic recovery and the poor.

Because so few will vote, your vote will have a huge influence to overcome special-interest money and votes.
